A Summary of the GU UG-CBCS(Revised)*

3rd June,2019

What is UG-CBCS?

The undergraduate degree (UG) programme in the Choice Based Credit System(CBCS) will have courses spread across six- semesters of any undergraduate degree course. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of Six Semesters covering three Calendar Years (Academic Sessions-June to May) The duration of the Odd Semesters (First , Third and Fifth) shall be June - November and that of Even Semesters (Second Fourth and Sixth) shall be December-May.

How does it work?

The courses in GU UG-CBCS are categorized primarily into three types of courses- Core Elective and ability /Skill Enhancement courses. All the core and elective courses will comprise of six (6) credits and the skill courses are of four(4) credits.

Core Course

As the name suggests, a core course is a necessary course that a student MUST take in order to complete the degree. The number of core courses for Honours and Regular degree are different.

Elective Course

An elective course is the one for which a student has some kind of freedom to choose from a pool of courses. There are two kinds of elective courses- Generic and Discipline Specific. The generic elective courses are those, which can be chosen by a student belonging to any stream, while the discipline specific elective courses are particular to only the discipline concerned. However, a discipline student pursuing an honour degree course can choose a generic elective from any other discipline except from the honours course itself.

Ability/Skill Enhancement Course

An Ability or Skill Enhancement course is aimed at providing the student with skill ability. These courses have four(4) credits each in contrast to the core or elective courses. The ability enhancement course MUST be opted by a student can choose paper from a pool of skill enhancement courses.

Dissertation /Project

A student can opt(subject to conditions) a dissertation or a project work in lieu of a 6-credit discipline specific elective course in the sixth semester.

The Notion of Credit

A student needs to earn a required number of credits in order to successfully complete a degree. The credit is closely related to the number of stipulated classes a student has to complete. The following table indicates the number of credit a student can earn for each type indicated classes.

Class	Duration	Credit
1 Theory Class	1 Hour	1
1 Tutorial Class	1 Hour	1
1 Practical Class	2 Hours	1

* The Summary overrides the respective Sections and Clauses of the GU-CBCS Regulations.

Papers and Credits

The following table gives you an idea about the number of papers one MUST take a certain degree course and the total credit it contains.

Degree	Minimum Paper Requirements	Minimum Credits
Undergrad Degree with Honours (All Disciplines)	* 14 Core * 2 Ability Enhancement * 2 Skill Enhancement * 4 Discipline Specific Elective * 4 Generic Elective	148
Undergrad Degree with Honours (Science)	* 12 Core * 2 Ability Enhancement * 4 Skill Enhancement * 6 Discipline Specific Elective	132
